About Us

Located in the beautiful city of Jiangyin, Wuxi, China, Jiangyin Victory Chemical Co., Ltd. is a well known company in China and abroad for expertise in the following:

Agrochemicals

Public Health Formulations

Animal Health Chemicals

Seed Treatment Chemicals

Technical Grade Pesticides

Pigments, Dyestuff

Polyester mats

Flex banners

Flexible Industrial Bulk Bags

Wet cooling pads

Our company specializes in the production, R&D and sale of agrochemicals, industrial chemical, pigments, dyestuff, petrochemical, glass fiber mats, glass fiber mesh fabrics, [polyester mats](#), FIBC, flex banners, metal flexible hoses, and wet cooling pads. Our annual turnover was over USD20 million in 2006. Our company has become the fastest growing company in Jiangyin, which is a modern port city in the beautiful Yangtze River Delta and its GDP ranks No. 3 in all the counties of China. Being only 1.5 hours' drive to Shanghai, the international metropolis, our company enjoys excellent geographical location and very convenient sea, land and air transportation. Our company has franchised three technical synthesis plants, invested in two formulators, one chemical plant, and one wet cooling pad plant.

Our products are exported all over the world, including the UK, France, Germany, Italy, Poland, Serbia, Bulgaria, Greece, Russia, Saudi Arabia, Iran, India, Pakistan, Bangladesh, the Philippines, Colombia, Ecuador, Peru, Chile, Brazil, Argentina and Papua New Guinea.

Friends from all over the world are welcomed to visit or contact us for a fruitful cooperation! We always believe in our company motto: a friend indeed can only be made by a win-win game; a real success is to join the hands of friends for mutual success!
