About Us

Hangzhou Yajiaqi Sanitary Wares Co., Ltd., located in Xiaoshan District of Hangzhou City, quite near to Xiaoshan International Airport, was founded in 2001 as a private-owned enterprise. With the strategic guidance of "progressing everyday", we have developed by leaps and bounds. Our company employs 100 staff with professional technical personnel of 10%. We are building new factories and are scheduled to vary and expand the range of our products, in order to meet the challenging international competition and the enlarging demand of our vast clients home and broad.

Our company is specialized in researching and manufacturing all kinds of [sanitary wares](#) such as shower enclosures, complete shower cabinets, computer steam booths, massage bathtubs, shower panels and glass basins. Our products are mainly made of materials such environment friendly plates, aluminum alloy oxide, safety tempered glass, computerized panels and luxury fitting. With first-rate equipment, reasonable design and [exquisite workmanship](#), we provide vast clients with high quality products and immediate and after-sales service of the top rank.

We have set up over twenty sale networks in the whole country, and our products have distinguished themselves in the international market such as the UK, the Middle East, South America, Africa, Canada, Australia and South Asia. Production to customers' drawings, samples and brand is available.

"Respect clients, and create higher value for them: Respect employees, and provide more opportunities for them"! Guided by practices and relative laws in international trade, and the principle of prestige, efficiency, quality service and mutual benefit, we are eager to establish [harmonious cooperation](#) with new and old friends all over the world, broaden international trade contacts, and strive for a more brilliant future!
