About Us

I would like to introduce ourselves as a mushrooms [distribution company](#), located in Spain, which main activity is to supply of all kind of fresh and frozen [wild edible mushrooms](#) to our customers. We are [professional group](#) with long experience in mushrooms and with an extensive track-record in this competitive market, where quality is so important.

Our aim is to offer the best possible in each stage of the year. We provide our products fresh whenever nature allows us to do so, otherwise we deliver them deep frozen and dehydrated. Our commitment is to offer quality, service and well trust to our customers.
