About Us

We are the largest licensed bag company in Canada and ship our products to the USA, Europe&Asia. We specialize in backpacks, travel bag etc and are now getting into cold weather accesories. We are looking for a factory that can work with us. Qty's will not be huse to start but will grom into a large business due to the account base we will be working with.

If you are willing to grow with us and get some large volume shorlty, please contact us by E-mail
