About Us

Founded in 1998, Beijing Brilliant Dragon Co., Ltd. is a modern trading company and is mainly engaged in various kinds of Vitamins, Amino acids, and other Bulk materials. We also deal with technological service and product development business. Our marketing network spreads all over the world.

Since foundation, we have always been insisting on the management aim of "Best Quality, Most Excellent Service; Highest Prestige, Most Satisfactory Service" and the management theory of "Unite to innovate, be practical and high-efficient, pursue predomination". Relying on the market, we follow the principle to guarantee the quality of products for our customers, serve customers wholeheartedly with honest and faithful spirit, and combine technological services and good marketing network. After the rapid development during these years, we have already set up long-term stable strategic partnerships with many famous domestic and international companies, and become the exclusive authorized agent or distributor of many famous pharmaceutical companies.

We always firmly believe that: "No high-quality materials; No good products". As a professional material supplier, it is our obligation to control and ensure the quality of our products. We also have this ability which has been proved in the last ten years.

With meticulous management and teamwork, and customer's trust & support, our business performance is better and better continually in these years. Meanwhile, we continue positively to develop the international market business by high-quality products and services to enhance product and company' influence in the international market.

In the future, Beijing Brilliant Dragon Co., Ltd. looks forward to forming close strategic partnerships with customers for developing together and creating a brilliant future together!
